INDEPENDENT AUDITOR'S REPORT

To the Members of Highness Microelectronics Private Limited

Report on the Audit of Standalone Financial statements

Opinion

We have audited the accompanying standalone financial statements of **Highness Microelectronics Private Limited**, which comprises the Balance Sheet as at March 31, 2023, the Statement of profit and Loss and statement of cash flows for the year then ended, and notes to the financial statement, including a summary of significant accounting Policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting Principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and the Profit for the year ended on that date and its Cash Flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the Provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements, and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to Provide a basis for our opinion.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the Preparation of these standalone financial statements that give a true and fair view of the financial Position, financial Performance and cash flows of the company in accordance with the accounting Principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the Provisions of the Act for Safeguarding of the assets of the company and for Preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting Policies; making judgments and estimates that are reasonable and Prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the Preparation and Presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In Preparing the financial statements, management is responsible for assessable the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting Process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As Part of an audit in accordance with SAs, we exercise Professional judgment and maintain Professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of these financial statements, whether due to fraud or error, design and Perform audit Procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to Provide a basis for our opinion.
- Obtain an understanding of internal control relevant to the audit in order to design audit Procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting Policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.
- Evaluate the overall Presentation, structure and content of these financial statements, including the disclosures, and whether these financial statements represent the underlying transactions and events in a manner that achieves fair Presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also Provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence.

2.2 Revenue recognition

a) Sales are accounted when significant risk and rewards are passed on to the customer. Sales are accounted net of excise duty.

b) Interest income is accounted on a time proportion basis taking into account the amounts invested and the rate of interest.

c) Dividend incomes on investments are accounted for when the right to receive the payment is established.

2.3 Use of Estimates

The preparation of financial statements in conformity with the generally accepted accounting principles ('GAAP') requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

2.4 Expenditure

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

2.5 Translation of Foreign Currency Items

Transactions in foreign currencies are translated into Indian Rupees (INR) at the rate of exchange ruling on the date of the transactions.

Gains or losses resulting from foreign currency transactions are taken to the income statement.

2.6 Fixed assets

All fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. Cost includes freight, duties, taxes and incidental expenses related to the acquisition of the fixed assets. When the asset is scrapped or otherwise disposed-off, the cost and related accumulated depreciation are removed from the books of accounts and resultant profit or loss, if any, is reflected in the Statement of Profit & Loss.

2.7 Depreciation

Depreciation is provided on the written down value method over the useful life of assets in the manner specified under Part C of Schedule II of the Companies Act, 2013. Assets acquired prior to 1st April, 2015, the carrying amount as on 1st April, 2015 is depreciated over the remaining useful life based on evaluation. Depreciation on additions during the year is provided on pro-rate basis from the date of addition.

2.8 Impairment of Assets:

The management periodically accesses, using internal sources, whether there is an indication that an asset may be impaired. An impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of assets and its eventual disposal. The impairment loss to be expensed is determined as the excess of carrying amount over the higher of the assets net sales price or present value as determined above.

2.9 Investments

Non-current investments are stated at cost. Provision for diminution is made to recognize a decline, other than temporary, in the value of Non-current investments.

2.10 Inventories

Inventories, stores and spares are valued at cost or net realizable value, whichever is lower. Cost is arrived at on First-In-First-Out (FIFO) basis.

2.11 Taxation

Income Tax expense comprises of current tax and deferred tax charge or credit.

Deferred Tax resulting from timing differences between book profit and tax profit is

accounted for under the liability method, at the current rate of tax, to the extent that the timing difference are expected to crystallize.

2.12 Contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

	Total		13750.200	26531.793	9688.781

2.14 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash in hand, cash at bank, deposits with banks and other short-term investments with an original maturity of three months or less.

2.15 Miscellaneous Expenditure

Preliminary expenses are charged to profit and loss account over a period of five years.

2.16 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.17 Earnings Per Share

Basic EPS per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
