Highness Microelectronics Limited Secures Approx ₹6 Crore Order for Supply of Medical Monitors, Industrial Displays and Accessories

Mumbai, September 28, 2026: Highness Microelectronics Limited (BSE SME: 544741), a leading manufacturer of advanced display solutions, embedded systems, and other related electronic products, **has secured an approx ₹6 crore order from a domestic customer engaged in the supply of medical monitors, industrial displays and accessories.**

The order will be executed within 16 to 20 weeks and involves the supply of specialised display solutions for medical applications.

Key Highlights

- **Order Value:** Approx ₹6.00 Crore, including taxes and freight
- **Customer Profile:** Supplier of medical monitors, industrial displays and related accessories
- **Nature of Order:** Domestic
- **Scope of Supply:** Medical displays, equipment, accessories and backlight units
- **Execution Timeline:** 16–20 weeks

“Highness Microelectronics Limited is an **ISO 13485-certified and CDSCO-licensed medical device manufacturer**. ISO 13485 certification reflects its quality management standards for medical devices, while CDSCO licensing supports regulatory compliance for applicable medical devices.”

Management Perspective & Outlook

Mr. Gaurav Manjul Kejriwal, Managing Director & CEO, Highness Microelectronics Limited, said:

“We are pleased to secure this approx. ₹6 crore order, which comprises a range of products including medical displays, equipment, accessories and backlight units. The order reflects the breadth of our product capabilities and the confidence of our customers in our design, integration and manufacturing expertise. We see this as a meaningful addition to our business pipeline and an opportunity to further strengthen our customer relationships.”

“The order also highlights the diverse applications we are addressing within the electronics manufacturing ecosystem. With our vertically integrated, design-led capabilities, we remain focused on developing application-specific solutions across Medical & Healthcare, Defence & Aerospace, Railways and Industrial Automation. Going forward, our focus will remain on expanding our product portfolio, strengthening our order pipeline and converting opportunities across these sectors into sustainable business growth.”

About Highness Microelectronics Limited

Highness Microelectronics Limited is a vertically integrated company specializing in the design, development, integration, assembly, and manufacturing of digital imaging solutions. With strong in-house capabilities built over two decades, it delivers high-quality,

durable, and commercially viable products across Defence & Aerospace, Railways, Healthcare, and Industrial Automation, while competing with global leaders as the only Indian manufacturer of certain display solutions.

The Company successfully raised ₹21.67 crore through its Initial Public Offering (IPO) and was listed on the BSE SME platform on April 2, 2026.
